## **Electronic Payments Request**

Tellus Operating Group ("TOG") offers its royalty/working interest owners the opportunity to receive their revenue payments electronically. The American Clearing House Network (ACH) is used to facilitate these payments at no cost to the royalty owners. ACH payments are widely viewed as more secure and typically provide payees with quicker access to their funds. The US Treasury uses ACH payments for social security and other payments.

For owners who choose to receive their payment electronically, a statement detail will be mailed to the current address on file or will be emailed to the Email address should you provide one below. For the working interest owners, your JIB statement will continue to be mailed to the current address on file or will be emailed to the Email address should you provide one below. Should you desire to take advantage of Electronic Funds Transfer (EFT) services, please provide all of the information requested below, attach a deposit slip or voided check and sign the request as indicated. Please note that your account information will be tested in our payment system.

I hereby agree that TOG may reverse any electronic payment that is determined to be fraudulent, duplicate or made in error. I further agree that authorization of EFT as evidenced by signature below amends the applicable payments instructions in the body of the governing lease. In the event that the EFT is unable to go through (e.g., due to closure or abandonment of an account or inaccurate account information), TOG will resume making payment to owner as provided for in said lease as then in effect. In addition, I agree not to hold TOG responsible for any delay or loss of funds due to incorrect or incomplete information supplied by me or due to an error on the part of my financial institution in depositing the funds to my account.

I hereby agree to the terms enumerated herein, certify that the depository information listed above is accurate, and authorize TOG to issue payments to me electronically via ACH. (Signature must be that of an authorized representative.)
